FOSTERING INNOVATION AND INCUBATION IN TECHNOLOGY

कुल-गीत

महामना की सुयश शोभा, तकनीकि की यह तपस्थली।
योग-स्थली गुरु गोरक्ष की, बुद्ध की निर्वाण स्थली।।

दृश्य अनुपम् राप्ती का, मिलती गले रोहिन वलय।
ज्ञान मार्गी संत कबिरा की, कृति हुयी मनोहर मधुमय।।

ज्ञान और विज्ञान का, मंदिर मनोरम शुभ्र पावन।
शोध के जिज्ञासु करते, सरस्वती का चरण वंदन।।

मानवता का मंदिर मनोहर, आलोक मय दिव्य सुन्दर।
गूंजता परिसर हमारा, सकल विद्या का शंख स्वर।।

नवीनता की खोज में, संलग्न यह विद्या सदन।
सुज्ञान के इस कल्पतरु का, करते हैं हम शत-शत नमन।।

संदेश

मुझे यह जानकर अतीव प्रसन्नता हुई कि मदन मोहन मालवीय प्रौद्योगिकी विश्वविद्यालय, गोरखपुर द्वारा आगामी शैक्षणिक सत्र 2017-18 के लिये 'Information Brochure' का प्रकाशन किया जा रहा है।

वास्तव में इस प्रकार के 'Information Brochure' प्रवेश लेने वाले छात्र-छात्राओं के साथ उनके अभिभावकों को संस्थान की समस्त जानकारी प्राप्त हो जाती है। मैं विश्वविद्यालयों के प्रयासों की सराहना करता हूँ।

'Information Brochure' के सफल प्रकाशन हेतु मैं अपनी हार्दिक शुभकामनाएं प्रेषित करता हूँ।

संदेश

मुझे यह जानकर अत्यन्त प्रसन्नता हुई कि मदन मोहन मालवीय प्रौद्योगिकी विश्वविद्यालय, गोरखपुर द्वारा इनफॉर्मेशन ब्रोशर 2017-18 का प्रकाशन किया जा रहा है।

विश्वविद्यालय द्वारा संचालित किए जा रहे विभिन्न पाठ्यक्रमों के विषय में समुचित जानकारी उपलब्ध के उद्देश्य से ब्रोशर का प्रकाशन एक सराहनीय प्रयास है। मुझे आशा है कि प्रवेश के समय इस जानकारी के आधार पर विद्यार्थियों को पाठ्यक्रमों का चयन करने में आसानी होगी।

इनफॉर्मेशन ब्रोशर के उद्देश्यपरक प्रकाशन हेतु मेरी हार्दिक शुभकामनाएं।

From Vice-Chancellor's Desk

Madan Mohan Malaviya University of Technology (MMMUT), Gorakhpur has grown to become National flagship, research-led university, known for the excellence of its teaching, research, and its service to local, national and international communities. MMMUT has been strategically built (2013) on the legacy of success presented by Madan Mohan Malviya Engineering College Gorakhpur (established in 1962 by Government of U.P.) towards providing quality education. Banking on our experience, we have single-mindedly committed ourselves to innovatively design course curricula vetted by industry experts, who possess practical know-how, and applied with complete dedication to achieve academic excellence.

We have more than 2800 students of whom 2208 are undergraduate students in six B. Tech. programmes in Civil Engineering, Electrical Engineering, Mechanical Engineering, Electronics & Communication Engineering, Computer Science & Engineering and Chemical Engineering (with specialization in sugar technology) along with M.B.A. and M.C.A. University is running M. Tech. in 12 disciplines and full/part-time Ph.D. programme in number of disciplines as part of Quality Improvement Programme of MHRD, University fellowships and TEQIP-II project.

Our Vision is to make MMM University of Technology a name to reckon with in the academic fraternity by giving a strong impetus to creating an environment of knowledge application and holistically inspiring students to become eminent leaders of tomorrow. We are prepared to accept new challenges and make our University a world-class educational centre of knowledge generation, acquisition and dissemination that will benefit society, and to educate and train people to work in fields where they will be valued both for their specialised knowledge and for their ability to research, communicate and solve problems for the benefit and welfare of the society.

To meet these challenges, University has good academic, research & development and residential infrastructure, well equipped modern laboratories and classrooms, campus wide internet and Wi-Fi facilities. University has the alliances and collaborative partnerships for student/faculty exchange, summer interns, etc. with business, government, and other research institutions/Universities of India and abroad.

On behalf of University, I welcome and thank you for choosing this University as the destination for beginning and shaping your professional career starting from academic session 2017-18. I wish to assure the parents and students that this University is not only to make technocrats and managers but also professionals with human values who make noteworthy contributions to the society and our nation.

Jai Hind !!

Prof. Sri Niwas Singh
FIEEE (USA), FIET (UK), FNAE, FIE(I), FIETE
Vice-Chancellor

Profile . . .

Prof. S. N. Singh obtained his M.Tech. and Ph.D. in Electrical Engineering from Indian Institute of Technology Kanpur, in 1989 and 1995. Presently, he is Vice-Chancellor, Madan Mohan Malviya University of Technology Gorakhpur and on leave from Professor (HAG), Department of Electrical Engineering, Indian Institute of Technology Kanpur, India. Before joining IIT Kanpur as Associate Professor, Dr. Singh worked with UP State Electricity Board as Assistant Engineer from 1988 to 1996, with Roorkee University (now IIT Roorkee) as Assistant Professor from 1996 to 2000 and with Asian Institute of Technology, Bangkok, Thailand as Assistant Professor from 2001 to 2002. Dr Singh received several awards including Young Engineer Award 2000 of Indian National Academy of Engineering (INAE), Khosla Research Award of IIT Roorkee, and Young Engineer Award of CBIP, New Delhi (India), 1996. Prof. Singh has received Humboldt Fellowship of Germany (2005, 2007) and Otto-monsted Fellowship of Denmark (2009-10). Prof. Singh became first Asian to receive 2013 IEEE Educational Activity Board Meritorious Achievement Award in Continuing Education. He is also recipients of INAE Outstanding Teacher Award 2016 and IEEE R10 region (Asia-Pacific) Outstanding Volunteer Award 2016.

His research interests include power system restructuring, FACTS, power system optimization & control, security analysis, wind power, etc. Prof. Singh has published more than 440 papers in International/national journals/conferences and supervised 29 Ph.D. (10 Ph.D. under progress). He has also written two books : one on Electric Power Generation, Transmission and Distribution and another on Basic Electrical Engineering, published by PHI, India. Prof. Singh has completed two dozen of projects in India and abroad.

Prof. Singh was Chairman, IEEE UP Section for 2013 and 2014, and presently, he is Coordinator IEEE Region 10 (Asia-Pacific) Conference and Technical Seminar 2015-18. Prof. Singh is also India Council Chairman-Elect 2017 of IEEE, the largest professional body in engineering.

Vision

To facilitate and promote studies, research technology incubation, product innovation and extension work in Science, Technology and Management education, and also to achieve excellence in higher technical education.

Mission

The distinctive mission of the University is :

- To serve society as a centre of higher learning, providing long-term societal benefits through transmitting advanced knowledge, discovering new knowledge and functioning as an active working repository of organized knowledge;
- To take leadership role by providing need based programs in engineering and technology, applied sciences, management, humanities, architecture, pharmacy, retail and fashion design, mass-communication, agriculture and other employable courses in emerging areas;
- To promote compassionate care of the highest quality that translates new knowledge into meaningful improvements in technological outcomes through interdisciplinary collaboration, fiscal responsibility, support of diversity, a focus on quality and a culture of professionalism;
- To establish value creating networks and foster relationship with other leading institutes of higher learning and research, alumni and industries in order to provide significant contribution to national and international development;
- To create an intellectually stimulating Infrastructure and conducive environment for technology research, scholarship, creativity, innovation, entrepreneurship and professional activity for service to community and economy.

Core Values

- Academic integrity
- Accountability with transparency, respect and tolerance for views of all stakeholders
- Concern for social responsibilities and attention to all national/international issues needing technological intervention
- Recognition of creativity and intellectual excellence
- Spirit of learning, exploration, innovation and enterprise
- All round understanding and knowledge of human sciences

(f) Break up of seats for B.Tech. Course :

The break-up of seats for B.Tech. Course in different disciplines is given in the following table.

S.No.	Branch	Seats	Year of Establishment
1.	Civil Engineering	120	1962
2.	Electrical Engineering	120	1962
3.	Mechanical Engineering	120	1962
4.	Electronics & Communication Engineering	120	1973
5.	Computer Science & Engineering	120	1984
6.	Chemical Engineering	60	2016
	Total Seats	660	

- The distribution of seats for different categories is as per Govt. /University norms.
- In addition to the above intake, 20% seats are available for direct admission to B.Tech 2nd year for diploma holders/B.Sc. through Admission Test conducted by University.
- Additional 05% seats in B.Tech 1st year shall be allocated under Fee Waiver Scheme (FWS) as per AICTE/UGC norms.

II. MASTER OF COMPUTER APPLICATION (MCA) & MASTER OF BUSINESS ADMINISTRATION (MBA)

S.No.	Course	Seats	Year of Establishment
1.	Master of Computer Application (MCA)	60	1988
2.	Master of Business Administration (MBA)	60	2001

III. MASTER OF TECHNOLOGY (M.Tech.)

(a) General :

The University offers full time M.Tech programs in Civil Engineering, Electrical Engineering , Computer Science and Engineering, Electronics and Communication Engineering and Mechanical Engineering Departments. The duration of the program is 2 years of 4 semesters. The first two semester of program will be devoted for completing the course work and other requirements of the degree, while the third and fourth semester are devoted mainly for thesis work and the students will

be required to submit a dissertation in partial fulfillment of the requirement for the award of master's degree as per prevailing Ordinance.

(b) Number of Seats :

The details of seats available for this course are given below:

Name of Department	P.G. Course	Seats
Civil Engineering	* Environmental Engg.	18
	* Structural Engg.	18
	* Hill Area Development Engg.	18
	* Seismic Design & Earthquake Engg.	18
Computer Science & Engineering	* Computer Science & Engg.	18
	* Information Technology	18
Electrical Engineering	* Power Electronics & Drives	18
	* Control & Instrumentation	18
Electronics & Communication Engineering	* Digital Systems	18
	* Communication Engineering	18
Mechanical Engineering	* Computer Integrated Manufacturing	18
	* Energy Technology & Management	18

The distribution of seats for different categories is as per Govt./University norms.

(c) Admission Procedure :

Admission to M.Tech program is made through an Admission Test of the University from the candidates possessing prescribed eligibility qualifications.

(b) Scholarship/Stipend:

- A scholarship of Rs. 12400/- per month will be granted only to the candidates admitted on the basis of the "GATE" examination by MHRD, Govt. of India.
- The continuation of scholarship will depend upon the satisfactory progress of the student as well as on submission of undertaking and acceptance of the conditions as specified by Govt. of India, Ministry of Human Resource Development (Department of Higher Education), New Delhi from time to time.
- Students getting GATE scholarship are given academic work/teaching load of up to eight to ten hours/week.
- Any scholarship holder leaving the course within the prescribed period of course shall be required to refund the amount of scholarship drawn by him/her.

IV. MASTER OF COMPUTER APPLICATIONS (M.C.A.)

(a) General

A 3 three year program of total 6 semesters leading to M.C.A degree is being offered from the session 1987-88. The admission is open to candidates of both sexes without discrimination of caste, creed and color. The minimum qualification required for admission to M.C.A. program is a Bachelor's degree of any recognized University with mathematics at 10+2 level subject to additional requirements as per University norms.

(b) Admission Policy

The admission to MCA first year is open to candidates under existing University rules through admission test conducted by the University.

(c) Eligibility and Requirements for Admission

The minimum requirement for the admission to the 1yr of the 3-year MCA course shall be as per the University norms.

(d) Number of seats

The total intake is 60. The distribution of seats for the different categories is as per Govt./University norms.

V. MASTER OF BUSINESS ADMINISTRATION (M.B.A.)

(a) General

A 2 year program of total 4 semesters leading to M.B.A degree is being offered from the session 2001-2002 in the University. The specializations available under MBA program are Marketing, HR and IT. The program is being run under self-financing scheme.

(b) Admission Policy

The admission to MBA first year is open to candidates under existing University rules through admission test conducted by the University.

(c) Eligibility and Requirements for Admission

The minimum requirement for the admission to the 1yr of the 2-year MBA course shall be as per the University norms.

(d) Number of seats

The total intake is 60. The distribution of seats for the different categories is as per Govt./University norms.

VI. DOCTORAL AND RESEARCH PROGRAM

The teachers and research scholars of various departments in the University and outside are registered as per ordinance. The University is also a QIP Center for Doctoral Programs in CE, ME, EE & EC. In fact, it is the first among State Engineering Institutions and 24th in the country including IISc, IITs, NITs and a few universities where the sponsored faculty members from all over the country can join and pursue their Ph.D. courses in the above mentioned branches on deputation, under quality improvement program of Govt. of India.

(a) Procedure for Admission

Admission to Ph.D./Programs shall be made through Admission Test of the University.

(b) Fellowship / Stipend

Fellowship/Stipend shall be provided as per University norms/criteria prescribed by the sponsoring authority.

VII. CANCELLATION OF ADMISSION

The University reserves the right to cancel at any stage the admission of a candidate if he/she has been found disqualified in accordance with the rules and regulations enforced at the time of admission or if the candidate has been found **to furnish wrong information at any stage or MISCONDUCT or involvement in RAGGING.**

Academic Departments of the University

DEPARTMENT OF CIVIL ENGINEERING

The Department of Civil Engineering was established in 1962. It is one of the oldest departments of the University. The department has, over the years, established its status as a centre for imparting high quality technical education to the undergraduate and post-graduate students and extending consultancy services to various industries and government departments located in the Eastern U.P. The department has been accredited by NBA for a period of three years from January 2017.

In addition to the undergraduate course of B. Tech. (Civil Engineering), the department offers four regular P. G. courses viz. M. Tech. (Civil) in Hill Area Development Engineering, M. Tech. (Civil) in Environmental Engineering, M. Tech. (Civil) in Structural Engineering and M. Tech. (Civil) in Seismic Design & Earthquake Engineering. The facilities for doctoral research are also available in the department.

The department has experienced and highly qualified faculty members. The department capitalizes on its well qualified and dedicated faculty, who are striving for excellence. Further the strength of the department also lies in the strong linkages it has fostered with its alumni and various government/private organizations located in the region. The alumni of the department are well placed in various govt. / private organizations and are in close contact with the department.

The department has the potential to raise the standards of technical education to the global standards . Needless to mention, the University itself is located in an under developed region of U.P., which is both flood and drought prone and lacks in proper industrial development. The special needs of this under-developed region can be tackled by us due to our understanding of the local conditions

Vision

To become a premier centre of learning and research in Civil Engineering for nurturing sustainable development by the year 2025.

Mission

- I. To provide the quality education in the area of Civil Engineering to transform students into graduates with high professional values.
- II. To share and disseminate expertise for use in the solution of problems faced by Civil engineering industry and by society.
- III. To ensure the continuous improvement in the quality of life of people in the society.
- IV. To conduct need based research projects giving priority to the needs of industry

Laboratories

In addition to the well equipped high quality geotechnical engineering lab the department has environmental engineering lab, highway engineering lab, hydraulics and water resources engineering lab, survey lab , structure lab.

To facilitate high quality teaching- learning process the department has two well equipped seminar halls and one smart class room.

Departmental Activities

1. Two days training program on “Pipeline Engineering” for students & faculty member during March 23-24, 2017.
2. International Conference on “Challenges in Sustainable Development from Energy & Environment Perspective (CSDEEP-2017) “Organized jointly with Mechanical Engg Deptt, during March 24–25, 2017.
3. Three centrally funded Major research projects are running in the department.

Faculty

The department has a sanctioned strength of 3 Professors (01 Head), 6 Associate Professors (01 Head) and 11 Assistant Professors.

DEPARTMENT OF COMPUTER SCIENCE AND ENGINEERING

The department of Computer Science and Engineering (CSE) was established in the year 1984. The department has over the years established its status as a center for imparting high quality technical education to the undergraduate and post-graduate students. This fact is being demonstrated by its alumni who are serving in various prestigious organizations in India and abroad. At present, department is offering following programmes:

- B. Tech (Computer Science and Engineering)
- Master of Computer Application (M.C.A.)
- M. Tech (Computer Science and Engineering)
- M. Tech (Information Technology)
- Ph.D.

The CSE Department offers full time doctoral degree program covering many areas of computer science viz. AI, algorithms, databases, software engineering, systems and networks, data visualization/imaging, security/privacy, embedded systems, and natural language processing. The department provides a unique educational opportunity to its students for achieving excellence both through rigorous course work and participation in cutting edge research. The Department of Computer Science is marching forward by following its three-fold goal of creating knowledge, disseminating knowledge and to provide service to community.

Vision

To become a leader of education, research and innovation in the area of Computer Science and Engineering and to produce under graduates who are globally recognised as innovative and well prepared computing professionals.

Mission

- To create, share and disseminate knowledge through research and education in the theory and application of computing.
- To train the students in different aspects of computing discipline for enhancing, augmenting and updating their technical skills
- To inculcate the spirit of analysis, team work, innovation and professionalism among the students

Laboratories

The department feels pride in its well-equipped and state-of-the-art laboratories with high computing power and latest technology for student work and intensive research. The department has the following laboratories.

- | | |
|--------------------|------------------------|
| ■ Windows/Unix Lab | ■ Mobile Computing Lab |
| ■ Design Lab | ■ PG and Research Lab |
| ■ Computing Lab-1 | ■ Computing Lab-2 |
| ■ Computing Lab-3 | ■ Computing Lab-4 |
| ■ SUN/SPARK Lab | ■ Audio Visual Lab |

Major Achievements in Session 2016-17

- In January 2017, the B. Tech program of the department was accredited by the National Board of Accreditation as per Washington Accord for a period of three years.
- 42 Students of the department have been placed in various companies like TCS, Wipro etc.
- Students participated in events organized by Hackers Rank and achieved 44th rank among universities having best coders worldwide.
- B. Tech Final Year student Mr Yashvendra Singh cracked CAT-2016 and secured 99.90 percentile.
- A number of students of B.Tech final year qualified GATE-2017 and secured AIRs like 60,137, 207,461...
- B. Tech Final Year Student Ms Aditi Kumari secured a very good percentile in GRE.
- B. Tech Second Year and Third Year students participated in e-Yantra, an event organized by IIT-Bombay and competed with students of other colleges.

Academic Collaboration/MoU with Other Institutions

- Department has MoU with Ms. Smart Health Zone Pvt. Ltd., which offers internship to students and students work on real-time problems.
- Department has MoU with Advance Tech India Pvt. Ltd. Chandigarh, which trains students on various latest Technologies.
- Faculties of Department actively collaborate with premier institutions like IITs, IIITs and NITs and help students to visit these institution as well as to work on projects.

Extra-Curricular Activities

Department organizes various extra-curricular activities through different student societies, workshops, short term courses, training programs, industrial visits etc. on regular intervals. It has two different societies, viz., Computer Engineering Society for B Tech Students and another Computer Society for Software Engineers for MCA students. The Computer Engineering Society has been functioning since 1993 while Computer Society of Software Engineers (CSSE) is functioning from 2015 with emphasis on development of overall personality of budding engineering graduates. Some major activities/events organised through these societies are: I-Factor, Chakravyuh, SQL Manthan, Codezam, Codeninza, Photo Blaze, Techquilla, Googler of the Week etc.

DEPARTMENT OF ELECTRICAL ENGINEERING

The department of Electrical Engineering was established in 1962. This department has over the years established its reputation as an excellent center for imparting high quality technical education to B.Tech and consultancy to industries and Govt. departments located not only in the Eastern U.P. but outside also. The department has been accredited by NBA for a period of three years from January 2017.

The department offers two regular P.G. courses viz. M. Tech. in Power Electronics & Drive and M. Tech. in Control & Instrumentation. The department also offers a full time Ph.D. Program. A number of AICTE/UGC (MRP) projects are in progress.

Vision

To develop intellectual potentials with excellence in electrical engineering & technology for global needs.

Mission

- Empowering students with state-of-art knowledge, technological skills & ethics.
- Provide research environment for sustainable technical growth in the area of power and energy.
- Providing effective solutions for industries through research and consultancy.

- Exposure to standard electrical safety measures and practices.
- Encourage new and non-conventional energy technology for sustainable development and environmental stewardship.

The department has the following well equipped laboratories :

- ◇ Electrical Machines lab
- ◇ Electrical Measurement & Instrumentation lab
- ◇ Network lab
- ◇ Microprocessor lab
- ◇ Circuit lab
- ◇ Power Electronics & Drives lab
- ◇ Control Systems lab
- ◇ Power Systems, Protection and Switch Gear lab
- ◇ Computer lab

Departmental Activities

1. **ELECTRA-2017** : The Electrical Engineering Department of Madan Mohan Malaviya University of Technology had celebrated its annual technical event Electra, a three-day extravaganza under the Electrical Engineers' Legation (EEL). Electra 2017 was held successfully on 6th, 7th and 8th of March which started with its grand Inaugural ceremony on 6th March.

2. A Short Term Course on Recent Advances in Control & Energy Systems (RACES-2017) (Sponsored by TEQIP II) on 25th February-3rd March, 2017 was Organized by Department of Electrical Engineering, Madan Mohan Malaviya University of Technology Gorakhpur.
3. RACES-2017 was held successfully 25th February to 03rd March. It started with its grand Inaugural ceremony on 25th February. Prof. Radhakant Padhi, Department of aerospace Engineering, Indian Institute of Science, Bangalore delivered the keynote address to the gathering

DEPARTMENT OF ELECTRONICS & COMMUNICATION ENGINEERING

The Department of Electronics & Communication Engineering was established in the year 1973 with an intake of 20 and has been gradually increased to 75 from the academic session 2000-2001 and 120 from the academic session 2015-2016. The Department has made remarkable progress in the last three decades as a result of firm determination and continuous efforts made by all the faculty members and staff of the department.

The Department offers full time M. Tech. in “Digital Systems” and “Communication Engineering” from the academic session 2003-2004 and 2012-2013 respectively with an intake of 18 in each. The

Department also offers regular Ph.D. program through QIP & TEQIP/University schemes. To enhance the knowledge of students and fulfill the gap among the academia and industries, the Department has recently established the Center of Excellence (CoE) Lab by the Texas Instruments under the Texas Instruments University Program. The Department also has various professional societies for the overall personality development of the students such as IEEE student branch, IEEE Electronic Device Society (EDS) student chapter and Electronics & Communication Engineering Society (ECES)

Vision

To prepare the students with state-of-art for emerging technologies, trends and applications in the field of Electronics and Communication Engineering to cater the global needs.

Mission

- Educate a new generation of Engineers to meet the challenges of the future by providing them with a firm foundation of both the theory and practical of Electronics and Communication Engineering at undergraduate levels.
- Create, develop and disseminate new knowledge by top quality applied research in Electronics and Communication Engineering by interacting with government agencies and private industry.
- Promote a sense of leadership and service to the society.

The department has the following well-equipped laboratories :

- ◇ Microwave and Optical Fiber Lab.
- ◇ Communication Lab.
- ◇ CAD /DSP Lab
- ◇ Electronics Engineering Lab.
- ◇ Electronics Measurement and Instrumentation Lab.
- ◇ PCB and Electronics Workshop Lab.
- ◇ Digital Electronics/Micro-Processor Lab.
- ◇ VLSI and Research Lab.
- ◇ Center of Excellence (CoE) Lab.

Achievements of the Department

1. Achievements of Students in TI Activities

- ◇ Center of excellence Texas Instruments (TI) Lab

- ◇ Developed TI sponsored Texas Instruments-Research center in Analog domain under Texas Instruments University India Program.
- ◇ Students of B.Tech 4th year secured all India first Rank and 2nd Rank in online Test organized by Texas Instruments University Program India.
- ◇ More than 2 Lakhs Cash Prizes and Certificates won by UG and PG Students of ECE Deptt. in various TI Online Context.
- ◇ Patent : 02 (published) : Dr. R. K. Chauhan & 01 (Applied) : Dr. Brijesh Kumar
- ◇ Faculty research paper published in UGC approved Journals in last 3 years: 60
- ◇ Ph.D. Awarded: 01; submitted :02 and permitted for submission:02

2. Academic Activities Organized by Department:

S.No.	Title	Date
1.	Faculty Development Program on Linear Integrated Circuits – A Systems Approach under TEXAS Instruments University Program India	7th June to 9th June 2016
2.	Faculty Development Program on Embedded Systems Design using TIVA under TEXAS Instruments University Program India	10th June to 12th June 2016
3.	Short Term Course on “Microwave Devices: Theory and Techniques” MTDI-2016	4th to 10th July 2016
4.	MSMDC-2016	Dec. 16-22, 2016
5.	Robotic Workshop	27th Feb. to 03rd March 2017

3. Workshops/Seminars/Conferences/STC/Training/FDP Attended by Faculty Members

- ◇ Publications of faculty and students : 269
- ◇ National Conferences : 8
- ◇ International Conferences : 20
- ◇ No. of Invited Talks : 4
- ◇ No. of STC/Workshop/Symposium/Training : 30

4. Student's Placement Data : More than 50 students placed in various companies through on-campus and off campus every year like TCS, WIPRO, HCL, Mahindra and LAVA etc.

DEPARTMENT OF MECHANICAL ENGINEERING

The Department of Mechanical Engineering, established in the year 1962, is imparting quality education to the students in the field of Mechanical Engineering through its undergraduate programme. Presently, the department is also running M.Tech programmes in “Computer Integrated Manufacturing” since 2001 and “Energy Technology and Management” since 2013 as well as regular Ph.D. programme through entrance examination and under the TEQIP & QIP schemes.

The department has highly qualified faculty members and technical supporting staff. The department is well known for maintaining benchmark in technical education and research. Most of alumni of the department are occupying highest positions in Governments, Semi-Government and Private organizations in the country as well as abroad. The laboratories of the department are being updated on time to time so that they remain well equipped to cater to the Research and Development. The department has recently equipped with fully automatic Flexible Manufacturing System in Advanced Machining Lab.

Vision

To become an Internationally Acclaimed Department of Higher Learning, Research, Innovation and Incubation in Mechanical Engineering by 2035.

Mission

- To provide quality education to the students in order to make them globally competitive Mechanical Engineers.
- To enhance the skills of students using modern engineering tools and experimental techniques to solve real life mechanical engineering problems.
- To make them work in groups with high level of societal, environmental and professional ethics with the self learning attitude.
- To establish linkages with the Industries, R&D organizations and Educational institutions in India and abroad for excellence in teaching, research and innovation.

Laboratories

The department has the following well equipped Laboratories and Mechanical Workshop for enriching the practical knowledge :

- Advanced Machining Lab
- Materials Science Lab
- Heat Transfer Lab
- IC Engines and Automobile Engineering Lab
- Mechanical Workshop
- Strength of Materials Lab
- Energy Conversion System Lab
- Computer Lab
- Metrology lab
- Fluid Machines Lab
- Mechanical Measurements Lab
- Refrigeration and Air Conditioning Lab
- Theory of Machines Lab

In addition to this two more labs **Engineering Mechanics Lab** and **Renewable Energy Lab** is introduced in the department and upgradation of Labs are in process.

Mechanical Workshop

The mechanical workshop is equipped with different machines and tools in various shops such as Carpentry shop, Foundry shop, Welding shop, Blacksmithy shop, Fitting shop, Sheet Metal shop and Machine shop. It is a central facility of the University. The various machines/equipment in the workshop are :

Centre lathe machine, Shaper machine, Slotter machine, Milling machine, Drilling machine, Surface grinding machine, Centre less grinding machine, Planar machine, Power press, Bending machine, Portable grinder, Power hammer, Electric Arc welding, Gas welding, Coupla furnace, Wood working lathe machine, etc.

Faculty

The department has following regular faculties :

S.N.	Name	Specialization	Qualification	Contact No.
1.	Dr. S.C. Jayaswal (Head)	Advanced Manufacturing Processes, Computer aided Manufacturing	Ph.D.	9235500569
2	Dr. D.K. Singh (On Leave)	Advanced Manufacturing, Computer Control Manufacturing	Ph.D.	9415165020

12	Shri Dharendra Singh	Thermal Engineering, Solar Energy, Refrigeration & Air Conditioning	M.Tech.	9235552352
13	Shri Laxmi Kant Yadav	Thermal Engineering	Ph.D. Pursuing	8765783670

In addition to this department is presently having 12 contractual faculties.

Research and Development Activities

The faculties and students of the department have published more than 65 papers in various Journals and conferences during academic year 2016-2017. Department organizes 2 national and one international conference in addition to several faculty development programmes, invited talks of the experts from IITs, NITs and various Industries. The department offers consultancy services to various industries and Government departments in and out of this region.

Training & Placements

Department organized several programmes for students training like Hand on Training on ANSYS, workshop on Mechatronics and many more in various fields of mechanical engineering. 1 student of the department Ranks within 100 in GATE-2017 exam and several students clear the GATE-2017 exam scoring rank under 1000. Several companies visited for campus interview of Mechanical Engineering students.

DEPARTMENT OF CHEMICAL ENGINEERING

The Department of Chemical Engineering with specialization in Sugar and Alcohol Technology has been started in the academic session 2016-17. The department offers four years B. Tech degree course with an annual intake of 60 students.

The vision of Chemical Engineering department at MMMUT Gorakhpur is to achieve national and international recognition through the educational and research achievements and the professional service of our faculty, staff, and students. Our mission is to provide students with an overall educational experience that prepares our students to become successful professional chemical engineers capable of undertaking both life-long learning and further advanced studies.

The department is trying to achieve fully developed infrastructure and well-equipped laboratories in Chemical Engineering. Apart from this, department envisions to regularly organizing seminars and workshop on its own or with collaboration with other elite institutions and industries. Department will be equipped with Computer lab, Unit Operation Lab, Chemical Reaction Engineering, Plant and Process Design, Quality Control, Transport Phenomenon and Sugar & Alcohol Technology would be developed in due course of time. Chemical Engineering Department of MMMUT Gorakhpur will focus on relevant syllabus and research and development in the field of Chemical Products Processing, Modelling and Simulation, Biological systems engineering, Food Processing Technology, Green Energy, Industrial Biotechnology, Bioreactor Design and Electrochemical Energy Conversion.

Vision

The vision of the department is to be a nationally recognized undergraduate chemical engineering

program coupled with research strengths in process safety, process system engineering, applied thermodynamics, polymers, minerals and food processing and biochemical engineering.

Mission

- Provide high-quality education that will prepare them for leading roles in their chosen careers and for the lifetimes of continued learning.
- Contribute to the sustainable development of the nation and the quality of life through leadership in professionalism, education, research and public services.

Laboratories

The unit operation lab has been established and establishment of other laboratories is in the offing.

Faculty

List of faculty are :

1	Dr. P.P. Pande (Head)	Polymer Chemistry and Materials Science	Ph.D.	9235500513
2	Dr. Ravi Shankar	Energy and Environment, Bio Chemical Engineering, Chemical Reaction Engineering	Ph.D.	8765783671

DEPARTMENT OF APPLIED SCIENCES

The Department of Applied Sciences was established in 1962 with a view to imparting teaching and promoting the implementation of practical aspects of Applied Sciences and Humanities and to build a solid foundation as part of the Engineering Education. Department is backed by well-educated, talented and dedicated faculty members to fulfill this task. The Department offers Ph.D. program in Physics, Chemistry, Mathematics and Humanities. The Department also promotes study and research in new and emerging areas and encourages the academic interaction of the faculty and students at national and international levels.

Vision

To create and disseminate knowledge and tools in intellectual areas at the interfaces between areas of engineering, technology, management and other core areas of Sciences and Humanities.

Mission

- To generate human resource of excellent quality, with high professional competence and research in the core and allied areas of Physics, Chemistry, Mathematics, and Humanities for the national needs.
- To set opening for Master and Doctoral level courses in the emerging field of Sciences and Humanities.
- To develop very high scientific skills bundled with Interpersonal skills to make students the best qualified for future needs.
- To prepare students to face challenges the world over by imparting intensive training in Physics, Chemistry, Mathematics and Humanities that will help them to apply their core knowledge to related fields

Laboratories

Departmental activities during the session 2016-17

- TEQIP Sponsored Short Term Course of one week of on “Applications of Physical Sciences in Engineering and Technology” during 2-8 July, 2016 FACULTY
- TEQIP Sponsored Induction Programme on effective communication skills during 8-10 March 2017.
- Hands on Training cum Workshop on soft computing skill for Scientists and Engineers (SCSSE-17), 17th -19th March-2017.
- A TEQIP Sponsored Short Term Course of one week on “Recent Trends in Materials Science” during 23-29 March, 2017.
- Two Ph.D. theses have been submitted by research scholars.
- More than 25 Research papers are published in the journals of national and international repute during last academic session.
- 03 books are published and 02 are in press
- Department is also publishing two Journals regularly.

The Department has major groups of 'Applied Physics', 'Applied Mathematics', 'Applied Chemistry' and 'Humanities and Social Science'. The department has a sanctioned strength of 1 Professor, 5 Associate Professors and 11 Assistant Professors.

CENTRE FOR MANAGEMENT STUDIES

Centre for management studies (CMS) was established in 2001, with the express manifesto of developing socially responsible managers. CMS focuses on management education more than just business education. The approach to pedagogy combines industrial projects, management games, fieldwork, case studies and instrumented feedback with a strong emphasis on concepts and theories. Corporate recruiters value our graduates for their intellectual abilities, their collaborative mind set, their individuality and their ability to handle the ground requirements. The CMS offers all major specializations which are in demand today.

Vision

To be an academia of “first choice” to transform lives that will change the world for the better at whatever level of human endeavour they might be involved.

Mission

To develop professionals who are committed to their personal and professional endeavours and who have the vision, courage and dedication to initiate and manage change.

Facilities provided by the Department

- Computer lab with internet facility
- Departmental Library
- Smart class room
- Conference room

Departmental Activities

- Business Quiz Competition
- Painting Competition on the theme of Corporate Culture
- Case Study Competition
- Tiecoone-2017

Achievements

- Anumita Agrawal MBA-Final Year 2016 awarded Gold Medal for academic excellence.
- Rishija Vatsa MBA-Previous Year 2016 Awarded Gold Medal for academic excellence.

Co-ordinator : Dr. A.K. Daniel (Contact No. 9235500530)

Central Facilities

I. INFORMATION TECHNOLOGY RESOURCES CENTRE (ITRC)

Information Technology Resource Centre (ITRC) was established in 2005 under world bank programme (TEQIP-I) and is unique of its kind among all state engineering universities/colleges of U.P. The objective of the center is to provide the central computing resources under one roof to students, faculty and staff with a vision to support and strengthen the teaching-learning process and research. The local area network spread in almost entire campus is being managed from this center. It remains open for 24 hours and is equipped with advanced computer networking hardware and software tools. Having around 300 computers arranged in its different labs, it provides uninterrupted high speed internet connectivity to the entire campus with two leased line connections- 1 Gbps (1:1) NKN and 155 Mbps (1:1) BSNL leased lines.

Facilities available at/through ITRC

- 210 no. of computers and 8 no. of high end servers (5 HP and 3 Blade).
- Power backup with 12 no. of 10 KVA UPS, one 5 KVA UPS and one 10 KVA generator.
- Various design and training software tools for students and faculty members.
- Aryabhata Seminar Hall with state of art facilities of Virtual Class for effective learning.
- Three design labs with advanced software/hardware computing resources to cater to the needs of PG and Research students having total 70 computers.
- Three general computing labs with 100 no. of computers for UG students.
- One research lab exclusively for Ph.D. students with 40 computers.
- Provides internet connectivity through OFC (of about 5 kms) to academic buildings, hostels and faculty/staff residences thus covering almost entire campus.
- Provides additional Wi-Fi connectivity in all major university buildings and their surroundings.
- Provides connectivity to Biometric attendance devices installed in various departments and sections for online attendance.
- Manages the K-YAN and P.A. Systems installed in class rooms to support the effective teaching and learning.
- Manages Security system through CCTV Cameras installed at prime locations of the University.
- Manages computerized Gate Pass installed at university gate to further enhance the Security.
- Establishment of two new Virtual Class Room is under process under the supervision of ITRC.

II. CENTRAL LIBRARY

Central library has a wide collection of books and periodicals on scientific, technical and allied subjects. It operates on open access system and students are given free access to books and journals that are kept on open shelves. Total carpet area of library is 1779.426 sq. meter. It has a wide collection of Books, E-books, and E-journals. Total number of books including bound journals and ISI Code is 1, 13, 566 (One lakh thirteen thousand five hundred and sixty six).

Special features

- Equipped with Wi-Fi facility and CCTV surveillance
- Automated issue and return of books
- Availability of OPAC (Online Public Access Catalogue)
- Air conditioned Reading Room
- Air Conditioned E-Library cum Reading Room

III. LECTURE HALL COMPLEX

There are 03 lecture complexes with well-equipped modern facilities;

- Puspa Latcture Hall complex having 07 Class Rooms
- Taksila Latcture Hall complex having 07 Class Rooms
- 06 Lecture Halls and 02 drawing halls.

Besides these there are departmental lecture classes equipped with modern facilities and seminar hall/ conference hall for different academic purposes.

IV. MULTIPURPOSE HALL (MPH)

The air conditioned Multipurpose hall with the capacity of about 700 audience is used for various purposes like convocation, alumni meet, cultural fest and indoor games.

V. UNIVERSITY HEALTH CENTRE

The mission of the M M M University of Technology, Health Centre is to provide students with quality primary health care and education about healthy lifestyles. This Health Centre provides a full range of primary care, treatment, and referral services, as well as related health education programs. All programs and services are aimed at maintaining the physical and emotional well-being of University students.

The Health Centre is located in front of University Cafeteria. This well equipped facility provides medical treatment and office consultation space for a variety of outpatient services. This Health Centre provides variety of services as elaborated below:

Medical Clinic

The Outpatient/ General Medical Clinic are staffed by physician and nurses. Appointments may be made with a physician or nurse practitioner; walk-in patients are evaluated by nurses. Minor surgical procedures may be performed after evaluation by a physician. Proper dressing is performed afterwards. Serious medical conditions and emergencies are given priority in all cases. Emergencies may be referred to District Hospital or Medical College or any other area hospitals as warranted.

Women's Health

The Women's Health care is provided by all female staff including: a gynaecologist, and a registered nurse staff with training and experience in gynaecology.

Services

Treatment of women's health issues including routine gynaecologic examination, Pap smears, contraceptive services, emergency contraception, pregnancy testing and counselling, sexually transmitted disease testing and treatment, and routine gynaecological treatment.

Men's Health

A full range of health service for male students is available through this Health Centre.

Sports Medicine

Medical services in support of the University Athletic Program are provided by an athletic medicine physician-nurse team. The services are offered in a Sports Injuries as and when required.

Services

The services provided concerning to sports injuries include primary care both in and out-of-season, physiotherapy, pre-competition physical examinations, and non-operative orthopaedics relating to sports injury.

To achieve the services mentioned on previous page, this Health Centre is well equipped with following human resources and infrastructure:

Doctors

1. Allopathic Doctors :

- Dr. A K Pandey, MBBS, PGDMCH, M. MED (Family medicine)
- Dr. Reena Banka, MBBS, DGO

2. Homeopathic Doctor :

- Dr. Vijay Shankar Singh, BMS

Staff :

- Sri Devendra Kumar Pandey, BPT (Physiotherapist)
- Sri Ram Chandra Maurya (Pharmacist)
- Ms. Prem Tara (Nurse)
- Ms. Geeta (Nurse)

Infrastructure/Facilities

- A well equipped doctors cabin
- All desired medicines
- Four Beds for emergency
- An up to date dressing room
- A well equipped physiotherapy centre
- An ambulance; round the clock availability

VI. GUEST HOUSE

The University has a Guest House which has total six double-bed well furnished rooms. Out of these six rooms, five rooms are air-conditioned and one room is non-AC. The Guest House facility is available to the external examiners, special invitees / guests of the University as well as to the parents of the students. Prior booking of these rooms can be made by contacting the officer-In charge guest house.

VII. CANTEEN AND COFFEE HOUSE

University has one air conditioned Cafeteria and a coffee Day outlet, which offers very good canteen facility at affordable price in the campus. It also has a University Canteen near boy's hostel which remains operational round the clock.

VIII. STATIONARY SHOP AND COOPERATIVE CANTEEN

University has a stationary shop and U.P. Govt. Cooperative Canteen in the campus.

IX. BANK, POST OFFICE AND ATM

- Fully computerized branch of State Bank of India.
- Two ATMs and Post-Office facility in the campus

X. TRANSPORT FACILITIES

Four University buses are available for day scholars to commute to the University and for hostellers to the city of Gorakhpur or any other nearby place. Apart from buses, the University has one mini-bus and two staff cars. Also 02 Battery driven Auto-Rickshaws are available for the hostellers to commute them from the University Gate to their respective hostels

Important Cells of the University

I. TRAINING AND PLACEMENT CELL

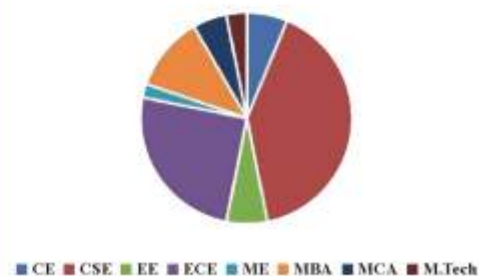

The basic function of Training & Placement Cell is to search opportunities for graduate and post-graduate students of the University in various reputed organizations and industries. The Training & Placement Cell is engaged throughout the year in interactions for building up relations among University and various reputed industries/organizations. The Cell works as a hub for the following services :

- Training & Placement of Students
- Student Counseling & Career Guidance

The Cell organizes the training and campus recruitment programs for the students of all disciplines. Practical training for the students is arranged by the cell in consultation with and on the basis of availability of seats in different Industries/Organization/Firms/Training Centers to make the students to have strong practical knowledge and to provide them to know the applications of scientific principles.

Pledge

India is my country and all Indians are my brothers and sisters.

I Love my country and I am proud of its rich and varied heritage.

I shall always strive to be worthy of it.

I shall give respect to my parents, teachers and elders and treat everyone with courtesy.

To my country and my people, I pledge my devotion.

In their well being and prosperity alone, lies my happiness.

छात्र प्रतिज्ञा

भारत हमारा देश है। हम सब भारतवासी भाई-बहन हैं। हमें अपना देश प्राणों से भी प्यारा है। इसकी समृद्धि और विविध संस्कृति पर हमें गर्व है। हम इसके सुयोग्य अधिकारी बनने का प्रयत्न सदा करते रहेंगे। हम अपने माता पिता, शिक्षकों और गुरुजनों का आदर करेंगे और सबके साथ शिष्टता का व्यवहार करेंगे। हम अपने देश और देशवासियों के प्रति वफादार रहने की प्रतिज्ञा करते हैं। उनके कल्याण और समृद्धि में ही हमारा सुख निहित है। जय हिन्द!
