Between
Madan Mohan Malaviya University of Technology (MMMUT), Gorakhpur, India
and
the Faculty of Engineering, University of the Ryukyus, Japan

Madan Mohan Malaviya University of Technology, Gorakhpur, India and the Faculty of Engineering, University of the Ryukyus, Japan consent to enter into a formal agreement, based on a foundation of mutual trust established by previous exchange programs, to promote further exchange of students, faculty, and staff in order to advance scientific research, education, and cultural understanding, and to contribute to the mutual benefit and development of the two institutions.

1. The two institutions shall promote the following exchange activities based on their respective academic and educational needs:
 - (1) Exchange of students
 - (2) Exchange of faculty and staff members
 - (3) Exchange of academic materials, publications, and information
 - (4) Joint hosting of seminars, conferences, and symposia
 - (5) Joint research
 - (6) Other academic exchanges
2. The implementation of each exchange based on this agreement shall be separately negotiated and determined by both institutions. Exchange activities shall be carried out within the scope of each institution's financial, material, and institutional limitations. With this understanding and the mutual agreement of both institutions, memoranda based on this agreement may be signed.
3. Nothing shall diminish the full autonomy of either institution, nor will either party impose any constraints upon the other in carrying out the agreement.
4. This agreement is subject to revision by mutual consent. It is also understood that either institution may terminate the agreement at any time, although such action shall only be

taken after mutual consideration in order to avoid any possible inconvenience to either party.

5. This agreement shall be effective when the representatives of both institutions have signed the agreement and is valid for a term of five years. It may be renewed with the consent of both institutions through the exchange of letters confirming the renewal within six months prior to the end of the term, and will be effective for another five years. In the event that this international exchange agreement between the two institutions is superseded by a university level exchange agreement between the two universities, this agreement shall be rendered null and void.

In witness whereof, the two parties have signed this Agreement by both parties on date, month and year referred to above.
