& Not relevant PG Degree

**Minutes of external screening committee for Physics and Material Science
Department held on 23.06.02023 in Sir J. C. Bose Hall of the University**

External Screening Committee examined the objection raised by Dr. Aditya Kumar through his E-mail dated 20.05.2023 regarding his API score and eligibility for Assistant Professor (Contractual) in the Department of Physics and Material Science through advertisement No. T/II/2022. Dr. Aditya Kumar has raised an issue that his P.G. degree in Material Science has not been considered as relevant degree for recruitment process for the post of Assistant Professor (Contractual) (OBC).

The External Screening Committee discussed the objection (Online Mode dated: 23.06.2022) raised by Dr. Aditya Kumar and after deliberation the following recommendations were made:

1. The Department of Physics and Material Science is running M.Sc. (Physics) programme for which the said post was advertised as per decision of meeting of BOM held on 06 August 2022 vide Agenda No. 2022/02.17.
2. For the above post eligibility is as per U.G.C. norms. According to which P.G. degree should be in relevant discipline. For the post under consideration P.G. degree in Physics is essentially required along with other minimum qualifications.
3. The O.B.C. certificate produced by the candidate second time is also not in the proper format as per U.P. Government.

In the light of above points (1) and (2) the objection raised by the candidate is not sustainable.

Department of Pharmaceutical Science and Technology
Madan Mohan Malaviya University of Technology, Gorakhpur
