CALL TO EXHIBIT CREATIVITY

INNOWIZION 2K16
Imagine.Inspire.Innovate

A National Level Creativity Challenge

(Universal Testing of Technical Aptitude & its Manifestation)

Organized By

Madan Mohan Malaviya University of Technology

Gorakhpur (U.P.) - India

InnoWiZion 2k16 is a national level innovation fest organized by Innovation Cell of Madan Mohan Malaviya University of Technology, Gorakhpur that provides opportunities for the students across all disciplines from all over India to team up and use their creativity, passion and knowledge of technology to create applications, games and integrates solutions that can change the way we live, work and play. The Event has following two categories:

Category I: Project Presentation (I Expo)

Category II: I-Quiz

OVERVIEW

The **InnoWiZion 2k16** honors the most innovative, ground-breaking event to provide a platform for the creative minds to express their ideas. If you choose to compete in this Competition, then you agree that your participation is subjected to the following official Rules and Regulations described below.

IMPORTANT DATES

This Event **InnoWiZion 2k16** starts at 09:00 AM IST on October 15, 2016 and ends in October 16, 2016 and will consist of two separate rounds as follows:

ROUND (FOR PROJECT PRESENTATION)	START DATE	END DATE
ROUND 1 (Project Abstract Submission)	September 15, 2016	October 8, 2016
ROUND 2	October 15, 2016	October 16, 2016

ROUNDS (FOR I-QUIZ)	DATE	VENUE
ROUND 1	October 15, 2016	LECTURE HALLS
ROUND 2	October 16, 2016	ARYABHATTA HALL

ELIGIBILITY FOR PARTICIPATION

You are eligible to participate if you are a student of undergraduate engineering programme in any of the approved Institution / University in the country. The participating entries have to be accompanied with the proof of being a student in

undergraduate engineering program which should be issued by the competent authority of the respective Institution/University.

PROCEDURE FOR PARTICIPATION

All entries should be submitted from **15th September, 2016** by e-mail in **PDF** and **DOC** formats indicating the details of **team profile** along with **abstract** of the project in the format uploaded on university website only at email: *innovationcell@mmmut.ac.in*.

The participating team should be comprised with a maximum of three members per team. Registration is compulsory for all the participants. Every team in the list of online finalists uploaded on October 15th, 2016 (4:00 P.M.) on university website must submit the registration form in the prescribed format. The filled registration form must be sent with a demand draft of ₹**300/-** (drawn in favor of Madan Mohan Malaviya University of Technology Gorakhpur payable at Gorakhpur) to Dr. Sudhanshu Verma, Assistant Professor, E. C. E. Department, Madan Mohan Malaviya University of Technology, Gorakhpur(U.P.)-273010. All communications from organizers will be made electronically, hence please check your e-mails frequently.

Those who are interested in getting official merchandise of **InnoWiZion 2k16** must indicate the details appropriately in registration form, which will be made available on cash payment of ₹300/- each.

RULES

Below is an overview of what to expect for each round of the competition.

ROUND 1

The participating team must send the project video/project PowerPoint slides depicting the fundamental working of their project, a brief overview and feasibility of the idea. Henceforth, 25 teams would be selected based upon the creativity, present ability and feasibility of the idea.

The list of the selected candidatures will be uploaded on the (official website www.mmmut.ac.in) at the October 15th, 2016(4:00 p.m.).

Your Project Proposal must meet the following criteria:

1. Your presentation must clearly address each of the Judging Criteria outlined above.

2. Your document must be in English.

3. It must be no larger than 50MB.

4. It must be in DOC, DOCX, PPT, PPTX, or PDF formats.

 5. You may compress your document in a ZIP file for submission.

ROUND 2(Project Presentation)

Live Presentation of your project to a panel of judges at the Final. This presentation should explain your project and your team: team introduction; what your project does; project cost and its scope; project efficiency and how you will bring your project to market. The judges at the finals will choose first, second and third winners for the **InnoWiZion 2k16** competition No team ranking below the third place will be released.

1. The presentation should be comprised only on the PowerPoint slide submitted to the technical team at least one hour before the presentation starts.
2. The presentation would be of maximum 8 min followed by 2 min questionnaire round.
3. The language for the presentation and questionnaire is English.
4. Maximum number of PowerPoint slides would be 20.

JUDGING CRITERIA FOR PRESENTATION

In every category, each entry will receive a score of 1-10, based on the following criteria and evaluation will be made by a jury nominated by Hon'ble Vice Chancellor of this University.

Innovation Expertise Award: 7000/-

• Does the project create a new category of product or service?
