

**Madan Mohan Malaviya University of Technology
Gorakhpur – 273010, U.P., India**

**Revised Final Schedules of Online Major Theory Exam. 2020-2021
(M-Tech, M.Sc., MBA, MCA, 1st Year)**

Note:

1. For Theory Based Subjects there will be 50 Multiple Choice Questions (one mark each) for 2 hours duration (10 multiple choice questions from Unit-I, 10 multiple choice questions from Unit-II, 15 multiple choice questions from Unit-III and 15 multiple choice questions from Unit-IV).
2. For Theory & Practical Based Subjects there will be 60 Multiple Choice Questions (one mark each) for 2 hours 15 minutes duration (10 multiple choice questions from Unit-I, 10 multiple choice questions from Unit-II, 15 multiple choice questions from Unit-III and 15 multiple choice questions from Unit-IV and 10 multiple choice questions from practical part of syllabus)
3. Link for online Examination platform will be send to student Email Id (Email Id filled by the student in the Examination Form).

Date	Time	Paper Code	Subject	Departments
08-09-2021	2.30pm. to 4.30pm.	MMS-607	Applied Computational Mathematics	MCA
		MMS-131	Mathematical Methods	Msc. Math.
09-09-2021	2.30pm. to 4.30pm.	MMS-608	Operations Research for Bossiness Decisions	MBA
		MBA-151	Advanced Professional writing	Msc. Chemistry
10-09-2021	2.30pm. to 4.30pm.	MBA-112	Supply Chain Management	MBA
		BCS-12	Data Structure Using C/C++	Msc. Math.
13-09-2021	10.00am. to 12.00noon	MBA-109	Research Methodology	MBA, M-Tech DS, Comm., CS, IT, HADE, ENV, STR, EESD Msc. Chemistry, CIM, ETM & Ph.D (Odd & Even Semester)
14-09-2021	2.30pm. to 4.30pm.	MBA-107	Business Environment	MBA
		MCA-202 Theory Practical	Data Structures & Applications	MCA
		MCE-153	Principles of Remote Sensing	M-Tech ENV. & HADE
		MCE-304 Theory Practical	Analysis and Design of Dynamic Effects	M-Tech STR Engg
		MCE-401	Seismology and Tectonics	M-Tech EESD
		MCS-160A	Cloud Computing (Program Elective-PE2)	M-Tech. CS&IT
		MEC-105	Digital System Design	M-Tech. DS
		MEC-205 Theory Practical	Mobile Communication Systems	M-Tech. Comm. Engg.
		MEE-104A Theory Practical	Modeling, Simulation & Evolutionary Techniques	M-Tech. CI
		MEE-105A	Advance Power Converters	M-Tech. PED
		MME-159	Design of Experiments (PE-I)	M-Tech CIM
		MME-204 Theory Practical	Advance Heat Transfer	M-Tech ETM
		MPM-107	Electrodynamics	Msc. Phy.
		MMS-107	Topology	Msc. Math.
MCY-107	Inorganic Chemistry-II	Msc. Chemistry

		16-09-2021	2.30pm. to 4.30pm.	MBA-111
MCA-204/MCA-106 Theory Practical	Operating System Concepts			MCA
MCE-105 Theory Practical	Hill Habitat Water Supply & Sanitation			M-Tech HADE
MCE-205	Solid Waste Management			M-Tech ENV Engg.
MCE-351	Maintenance and Rehabilitation of Structures			M-Tech STR Engg
MCE-404	Earthquake Resistant Design of Structures			M-Tech EESD
MCS-107	Advanced Computer Architectures			M-Tech. CS
MCS-206	Information Security & Cyber Law			M-Tech IT
MEC-156	Digital Integrated Circuits			M-Tech. DS
MEC-256	Advanced Coding Theory			M-Tech. Comm. Engg.
MEE-152A	Power Semiconductor Controlled Industrial Drives			M-Tech. PED
MEE-252	Digital Control System			M-Tech. CI
MME-154-A	Robotic Engineering (PE-II)			M-Tech CIM
MME-254	Combustion Engineering (PE-I)			M-Tech ETM
MPM-131 Theory Practical	Analog & Digital Communication			Msc. Phy.
MMS-123	Integral Equations and Partial Differential Equation			Msc. Math.
