

Signing Off Note from Prof. Onkar Singh, First Vice Chancellor of Madan Mohan Malaviya University of Technology, Gorakhpur ✍

Dear Students, Faculty, Staff and Alumni of MMM University of Technology, Gorakhpur

I am happy to write this signing off note to dear students, faculty, staff and alumni of Madan Mohan Malaviya University of Technology on the completion of my term as first Vice Chancellor of the U.P. state's first non-affiliating technological University. On this occasion I look back to 17th December 2013, when I took over the charge of office of Vice Chancellor of the Madan Mohan Malaviya University of Technology, Gorakhpur and made it functional as its First Vice Chancellor as per the provisions of its Act of incorporation.

Since, then I have spent 40 months for successfully transforming erstwhile Madan Mohan Malaviya Engineering College into Madan Mohan Malaviya University of Technology with value based foundation so as to create a technological University with excellence, equity and access to all. The quality time spent by me in the company of dear students, teachers, staff and alumni of this esteemed Institution has been a memorable one for me and I feel that we have been successful in achieving the goals in such a short time. I thank you all for the support you have given to me during this time. Indeed, it has been a pleasure and an honour to serve as your Vice Chancellor.

You all are aware that since its inception, I have been committed for the strong foundation and fast growth of this University on all fronts consisting of academic, human resource and infrastructure with complete transparency, commitment and discipline in time bound manner.

It is a time to celebrate when a new person will be taking over as Vice Chancellor and carry this Institution forward as per its vision and mission. I feel delighted to share the major achievements of this University as detailed below during this period which could have not been possible without cooperation and support extended by all concerned.

At this moment, before saying Good Bye to you all I wish to express my gratitude to all who have helped me in the building up of this Madan Mohan Malaviya University of Technology, Gorakhpur since 17th December 2013 to 15th April 2017.

With Best Wishes and Good Luck !

Date: 15th April, 2017

Prof. Onkar Singh
