

## ORGANISING COMMITTEE

### Patron

Prof. Sri Niwas Singh  
Hon'ble Vice Chancellor

### Convener

Dr.S.C.Jayswal  
Professor & Head, MED

### Coordinator(s)

Dr. Jeeoot Singh  
Associate Professor, MED

Dr.Sanjay Mishra  
Associate Professor, MED

### Advisor(s)

Prof. D.K.Singh  
Professor, MED

Prof. S.K. Srivastava  
Professor, MED

### Organizing Committee

Dr. Rajesh Kumar Verma, Associate Professor  
Mr. Devesh Kumar, Assistant Professor  
Dr. Swati Gangwar, Assistant Professor  
Mr. R.B.Prasad, Assistant Professor  
Mr. Sunil Kumar Yadav, Assistant Professor  
Mr. Prashant Saini, Assistant Professor  
Mr. Dheerandra Singh, Assistant Professor  
Dr. Laxmikant Yadav, Assistant Professor

## ABOUT THE UNIVERSITY

Madan Mohan Malaviya University of Technology, Gorakhpur has been established in year 2013 by Govt. of Uttar Pradesh as a non-affiliating teaching and research University after reconstituting erstwhile Madan Mohan Malaviya Engineering College Gorakhpur, which was established in 1962.

The University provides the pollution free environment immensely suited for holistic growth and the development of the students. The University is located on Deoria road about 9 Km away from Gorakhpur Railway Station. The University offers UG in Civil Engineering, Mechanical Engineering, Electrical Engineering, Computer Science & Engineering, Electronics & Communication Engineering and PG in MCA, MBA and M. Tech in Civil, Mechanical, Electrical and Electronics & Communication Engineering. It is also a QIP center for the Ph.D. program in Civil, Electrical, Mechanical, Electronics and Communication Engineering departments.

## ABOUT THE DEPARTMENT

The Department of Mechanical Engineering is one of the oldest departments from the start of institute (1962). The department is undertaking a UG program in Mechanical Engineering, two PG programs (Computer Integrated Manufacturing, Energy Technology and Management) and a research program leading to Ph.D degree in related specialization. The research facilities in Mechanical Engineering Department are developing with addition of new equipments and laboratories, and modernization of old laboratories.

## One Week Short Term Training Programme on

### Computational & Manufacturing Challenges in Mechanical Engineering (CMCME-2018)

Sponsored by *TEQIP III*

March 19-25, 2018

### Organized by

### Department of Mechanical Engineering

Madan Mohan Malaviya University of  
Technology, Gorakhpur, Uttar Pradesh (India)

(Established by U.P. Government Act No-22 of 2013)

(Formerly, Madan Mohan Malaviya Engineering College)

Website: [www.mmmut.ac.in](http://www.mmmut.ac.in)

## ABOUT THE PROGRAMME

Computational methods are widely used for solving variety of engineering problems. Researchers across the world are using these techniques to explore the new research dimensions. The manufacturing industries have witnessed remarkable improvements due to continuous development of new materials and increased demand of cost effective product with high functional efficiency. The modern industries are facing various challenges in the way of manufacturing. There is a large scope for researchers to solve various existing problems with the aid of various advanced techniques like computational method. In this regard, the present program intends to discuss widely on some existing and advanced techniques related to computing and manufacturing. This would help mainly the researchers, PG students and people from industry to accelerate their research activities.

## WHO SHOULD ATTEND

- ❖ Faculties from Engineering Institutions
- ❖ Researcher from Research Organizations
- ❖ Students of PG / PhD Program
- ❖ Professionals from Industries

***Selection of participants will be on first- come-first basis.***

## RESOURCE PERSONS

The resource person for the STTP will be eminent speakers from IIT's, NIT's, other reputed institute, institute itself along with persons from the Industries.

## REGISTRATION PROCESS

Participants can register for CMCME2018 by filling the registration form. ***There is no registration fee*** for the programme. Please send the scanned copy of duly filled registration form to [cmcme2018@gmail.com](mailto:cmcme2018@gmail.com) along with the hard copy to the address mentioned in the registration form.

### Important Dates:

Last date for application: **March 14, 2018**

Intimation of selection: **March 16, 2018**

## IMPORTANT INSTRUCTIONS

- ❖ Participation confirmation will be send through email only.
- ❖ Boarding, Lodging, travel and food expenses shall be borne by the participants only.
- ❖ Students of all categories also have to submit completely filled registration form signed by Head of the institute/Head of the Department.
- ❖ Accommodation may be provided based on the availability in the University Hostel on payment basis.

## VENUE

All the lectures are scheduled in the Seminar Hall of the Mechanical Engineering Department, MMMUT Gorakhpur.

**One week  
Short Term Training Programme  
on  
Computational & Manufacturing  
Challenges in Mechanical Engineering  
(CMCME2018)
