Research scholars under this scheme shall be treated as full-time candidates.

#### **6.5.3.5 Part-time**

A candidates working in a research centre recognized by the University, Regular/ contractual faculty members of this University/Employees working in Govt./ Govt. aided / Private Engineering colleges/Universities/Industries/Public sector organizations shall be considered for the admission under this category subject to the terms and conditions prescribed by the University.

### **6.5.4 PROGRAMME DURATION**

- 6.5.4.1** The duration of the Ph.D. programme for the full time/part time research scholars admitted in semester I will be minimum three academic years (six semesters)/four academic years (eight semesters), respectively provided it does not fall in **Clause 6.5.4.2**. The maximum time allowed for completion of the regular programme for the full time/part time research scholars admitted shall be five/six years, respectively, beyond which the admission of the research scholar shall get cancelled automatically. However, research scholar is eligible for extension of one more year beyond the maximum time period upon his/her request provided he has published/received acceptance of at least one research paper out of his research work in SCI journals or such other reputed and peer reviewed non-paid journals prescribed by the University. Such extension shall be granted by the Vice-Chancellor on the recommendation of supervisor(s) and Doctoral Research Committee (DRC).
- 6.5.4.2** A full-time/part-time research scholar can submit the thesis only after a minimum period of study of 30 months/42 months respectively from the date of his/her first registration. However, in most cases the minimum duration of work shall be three years.
- 6.5.4.3** The duration of each Semester will generally be 90 working days or as prescribed by the University from time to time.
- 6.5.4.4** There are two regular semesters in a year. The semester that begins in July (*July to November/December*) is known as the *Odd Semester* and the semester that begins in December/January (*December/January to May*) is known as the *Even Semester*. Research scholars are supposed to continue their research work through out the year for its timely completion.
- 6.5.4.5** Normally all research scholars admitted to the Ph.D. programme will be required to stay in the University till they complete all assigned work and submit thesis. However, the minimum residential requirement for research scholars under full-time/part-time is three/two years, respectively or till successful completion of course work and comprehensive examination which ever is later.

- 6.5.4.6** Full-time research scholars can leave the University for taking up any assignments only after submission of the thesis; failing which their studentship shall be cancelled automatically provided it does not fall under provisions of **Clause 6.5.14** regarding temporary discontinuance.

### **6.5.5 DOCTORAL RESEARCH COMMITTEE AND COURSE WORK REQUIREMENTS**

- 6.5.5.1** The Doctoral Research Committee (DRC) for each research scholar shall be appointed within a month from the date of his/her first registration. The composition of DRC is given ahead.

1	Dean, Research & Development or other Dean/Professor to be nominated by the Vice Chancellor in his absence	Convener
2	One Subject Expert from the relevant area to be nominated by Vice Chancellor who could be even from outside the University	Member
3	Dean (for PG Programme)	Member
4	Head of concerned Department/Centre	Member
5	Supervisor(s) of the concerned Student	Member

In case of the persons in ex-officio capacity in DRC at sl. nos. 1, 3, 4 happen to be the supervisor of the candidate, then Convener shall get the alternate senior faculty member to be nominated at his/her place by the Vice Chancellor.

- 6.5.5.2** The full-time/part-time research scholars should successfully complete four courses (min. 12 credits) recommended by the Supervisor(s) with the approval of Vice-Chancellor through the concerned Head of Department/Dean preferably in first semester but not later than second semester from the date of his/her first registration. Such courses should have not been studied by the research scholar in their UG/PG programme.
- 6.5.5.3** The prescribed courses shall be of postgraduate level courses of the University. The evaluation procedure will be same as that of post graduate level courses and the details are given in the corresponding section in the Ordinances common to all M.Tech. Programmes.
- 6.5.5.4** In addition to courses of the M.Tech. Programme, a department may offer special courses for Ph.D. research scholar during the semesters or during summer vacation. If a course is offered in summer vacation, the total number of contact hours and the pattern of examination shall be the same as that for other courses taught during the normal semesters.
- 6.5.5.5** A research scholar is considered to have completed a subject successfully and earned the credits if he secures a Letter Grade equal to or higher than 'B'. Once a subject completed successfully, it cannot be repeated. Letter Grade obtained lower than 'B' will be ignored in calculation of credits completed.
- 6.5.5.6** Based on the performance of the research scholar in periodic progress review presentations before DRC, it may ask the research scholar to undertake more number of courses than the prescribed minimum four which could be even from undergraduate level if deemed necessary. Credit to courses already undergone by a research scholar in this University or other Institutions/ Universities shall not be considered if they were credited for award of any previous degree/diploma.
- 6.5.5.7** No change in prescribed courses shall be made without the approval of the Vice-Chancellor.
- 6.5.5.8** The part time research scholars shall have to complete the course work as full time research scholar.
- 6.5.5.9** The course work is required to be completed before the comprehensive examination.

**6.5.5.10** Every research scholar will make research proposal pre-presentation before the committee constituted by the department for the better preparation and refinement of research proposal till it is presented as preliminary research proposal presentation before DRC in first semester. A compiled report for the above research proposal pre-presentations shall be reported at the time of preliminary presentation to DRC.

## **6.5.6 COMPREHENSIVE EXAMINATION**

**6.5.6.1** The objective of the Comprehensive Examination (CE) is to test the general capability of the research scholar and the breadth of his/her knowledge in his/her discipline and areas related to his/her field of research. The Comprehensive Examination will usually consist of a written test and/or oral examination. The Comprehensive Examination Committee shall intimate to the research scholar sufficiently in advance so as to enable the research scholar to prepare adequately for it.

### **Distribution of Marks for Comprehensive Examination (CE)**

<b>S. N.</b>	<b>Assessment Basis</b>	<b>Marks</b>
1.	Breadth of knowledge in the Broad Area of Research/Field	20
2.	Critical Analysis & Understanding of Research Methodologies	10
3.	Background Knowledge of Specific Research Area	20
4.	Understanding of the Issues & Problems related to Pin-Pointed Specific Research Area	20
5.	Discussion and Suggestion of Methods and Approaches to the Inquiries	20
6.	Doctoral Level Comprehension and Writing Skills	10

The evaluation outcome is given below.

<b>S.N.</b>	<b>CE Status</b>	<b>Marks Obtained</b>
1.	CE Satisfactory (CES)	50% and above
2.	CE Unsatisfactory (CEU)	below 50% , candidate has to repeat the CE
3.	CE Fail (CEF)	below 50% again in second attempt, retake not permitted, registration cancelled

**6.5.6.2** Every Ph.D. scholar shall appear and perform satisfactorily in a Comprehensive Examination in his/her Department. The Comprehensive Examination shall be conducted by a Comprehensive Examination Committee of the Department, consisting of the all members of Department possessing Ph.D. qualification and at least two other senior faculty members of the University nominated by the Vice-Chancellor.

**6.5.6.3** If the performance of a research scholar in the Comprehensive Examination in the first attempt is not satisfactory, he/she will be given only one more opportunity to appear for the comprehensive examination within six months of the first attempt. The registration of a research scholar, who fails to complete successfully the Comprehensive Examination in both attempts, will be cancelled.

**6.5.6.4** The research scholars are normally expected to successfully complete the Comprehensive Examination preferably in second semester but not later than third semesters from the date of first registration of research scholar.

**6.5.6.5** If due to compelling adverse circumstances (as considered so by the DRC), a research scholar is not able to appear in the comprehensive examination as stipulated above, or he/she is not able to pass the comprehensive examination within next three semesters, can be granted an

extension of one semester more upon his/her request. During this semester, he/she can be registered provisionally only (the normal semester fees, however, will have to be paid), and minimum registration period requirement will automatically get extended by six months. Further, if he receives scholarship, his scholarship for these six months will be stopped. Only one such chance can be allowed to a research scholar.

Research Proposal Presentation of research scholar shall be conducted within a week just after successful completion of comprehensive examination. It should outline the planned research work and identify the milestones. Both excessive vagueness, as well as exact description of the work to be done is discouraged at this stage to facilitate focused research work without being constrained. The evaluation outcome is given below.

S. N.	Status	Remark
1.	Research Proposal Presentation -Approval Positive	Candidate can go ahead to work
2.	Research Proposal Presentation - Approval with Minor Modification	Candidate has to do modification and repeat the process.
3.	Research Proposal Presentation - Major Modification	Candidate has to do modification and repeat the process.

**6.5.6.6** Every research scholar shall have to undergo the progress review through DRC every semester which shall evaluate the work progress and evaluate the candidate's progress as Satisfactory, Marginal or Unsatisfactory. In case of the progress evaluation being the Unsatisfactory for two times consecutively the DRC may recommend for cancellation of the registration of candidate.

**6.5.6.7** The candidates whose registration has been cancelled due to any reasons shall not be eligible for pursuing any programme from this University.

## **6.5.7 THESIS SUBMISSION**

**6.5.7.1** A research scholar will be allowed to make his pre-submission thesis presentation, after successful completion of prescribed courses, comprehensive examination and after publishing/getting acceptance of at least two research papers out of his/her research work in SCI journals or such other reputed and peer-reviewed non-paid journals approved by the Vice- Chancellor. This presentation should precisely reflect all aspects of the research work to be included in his/her thesis.

The research scholar shall make the pre-submission thesis presentation for internal assessment of quality of research work and grant of permission before his/her constituted DRC. The DRC will, if it approves the work reported in the presentation, permits the research scholar to submit the thesis and recommend a panel of at least five External Examiners from outside the India (Foreign Universities from advanced/ developed countries) and five External Examiners from within India (faculty of IITs/NITs/ reputed Engineering Colleges or Universities/ Professionals from leading Industries/Scientists from central and regional laboratories) of relevant sub-discipline; otherwise, research scholar shall have to go for further work/modifications as suggested by the concerned DRC and repeat the process. The evaluation outcome is given below. A person working in the same organization(s)/institute(s)/ University where the research scholar is employed cannot, however, be appointed as External Examiner for that research scholar.

S. N.	Status	Remark
1.	Pre-submission Thesis Presentation -Approval Positive	Candidate can submit thesis.
2.	Pre-submission Thesis Presentation - Approval with Minor Modification	Candidate has to do modification and repeat the submission process.
3.	Pre-submission Thesis Presentation - Major Modification	Candidate has to do modification and repeat the submission process after three months only.

**6.5.7.2** The research scholar shall, within three month of grant of approval for submission/ acceptance of the pre-submission thesis presentation, can submit four copies of the thesis (soft and loose spiral bound hard version) and extended abstract of the thesis. The DRC may grant additional time for the thesis submission beyond three months but not more than six months on request from the research scholar for valid reasons.

**6.5.7.3** No part of the thesis or supplementary published work should have been submitted for the award of any other degree or diploma and the certificate to this effect is required in thesis by the candidate and supervisor(s).

**6.5.7.4** The Ph.D. thesis shall be prepared following the general format prescribed by the University and must contain the following copyright certificate in the beginning of the thesis, on a separate page on the left side.

**© M. M. M. University of Technology, Gorakhpur, (U.P.) – 273010 INDIA

## **6.5.8 THESIS EVALUATION**

**6.5.8.1** The Vice-Chancellor may appoint one External Examiner each from India and outside India from the recommended panel or the panel can be returned back for modification or may add any name to or delete any name from the list recommended by the DRC. The supervisor/first supervisor in case of two supervisors will also serve as Examiner(s) in addition to the two External Examiners and shall be appointed by Vice-Chancellor.

**6.5.8.2** Plagiarism checking of thesis is mandatory and will be carried out by the Examination cell for ensuring originality of submitted content of thesis. After pre-submission thesis presentation, a soft copy of thesis in word format must be forwarded by supervisor(s) and Head of Department to Examination Cell. The thesis has to be checked by anti-plagiarism software before sending it for evaluation. If any text strings/figures are found to be copied or dubious without proper acknowledgement of the source or the percentage of plagiarism exceeds the approved limit as prescribed by the University from time to time, the thesis has to be thoroughly revised and resubmitted for clearance from plagiarism.

**6.5.8.3** On receipt of requisite copies and extended abstract of the thesis, the Controller of Examination of the University will send a formal letter/email to the examiners appointed by Vice-Chancellor for the research scholar along with a copy of the extended abstract requesting for acceptance of being examiner. After receiving the consent, the thesis will be mailed along with proforma of Examiner's Report and relevant documents to examiner from outside India while hard copy of thesis shall be sent along with relevant documents to the examiner in India by registered post. The complete record of e-mail /postal correspondence shall be maintained by the office of Controller of Examination. The Board of Examiners for thesis evaluation will consist of External Examiners, one out of which would be from within India and the other from abroad and supervisor(s). In case of refusal, the second External Examiner appointed by the Vice-Chancellor as per **Clause 6.5.8.1** will be contacted and so

on. If in this process, the list is exhausted, the Controller of Examination may ask the DRC to recommend another list.

**6.5.8.4** All correspondence/notifications in regard to thesis evaluation and viva-voce examination of the scholar (except where stated otherwise) shall be done by the Controller of Examinations of the University. Except for the correspondence with the research scholar or general circulars/notifications, the correspondence shall be maintained confidential.

**6.5.8.5** In the event of non receipt of the thesis report from any External Examiner within a period of three months from the date of dispatch, the thesis will be send to next External Examiner appointed by the Vice-Chancellor and so on. Before correspondence with another External Examiner, the original External Examiner must be informed by the Controller of Examination about the cancellation of his/her appointment as examiner-stating the reason therein.

**6.5.8.6** The reports of all three examiners shall be compiled by the Controller of Examination and placed before the Vice-Chancellor. There may be four possible situations arising out of the nature of the reports. The steps to be taken appropriate to the circumstances are laid down below.

- (i) The examiners are unanimous in recommending for the award of the Ph.D. degree without any modification of the thesis. This is a clear case for going for the final requirement of viva-voce which shall be scheduled and duly notified for open-defense by Controller of Examination in consultation with External Examiner from India and Supervisor(s).
- (ii) The external examiners are unanimous in recommending for the award of the degree but at least one of the examiners has suggested minor modifications and/or has asked for clarifications. The candidate in that case shall make modifications and provide the clarifications as suggested with the certificate from Supervisor about the compliance of the remarks within a time to be fixed by the Controller of Examination. These modifications/clarifications may be sent to the examiner, if so desired by him. After compliance is ascertained, the final requirement of viva-voce shall be scheduled and duly notified for open defense by Controller of Examination in consultation with External Examiner from India and Supervisor(s).
- (iii) One of the External Examiners does not recommend the award of the degree and rejects the thesis whereas the other External Examiner recommends the award. The matter shall be referred to DRC which may in such a case either ask the candidate to modify the thesis as suggested within a given time not exceeding six months and send the modified thesis to the same External Examiner again, or, recommend to the Vice-Chancellor for the appointment of another External Examiner and send the thesis to him in its original form as per the prescribed process. The third External Examiner will be provided with copies of the evaluation reports of all examiners, External and Internal, with the names of the examiners deleted. The recommendation of this 'third' examiner, at this stage, shall be taken as final. In case of adverse report of the third examiner the DRC shall consider for directing the candidate to work for six more months and follow the prescribed process of examination of his/her thesis. In case of the recommendation of third examiner for award for Ph.D., the final requirement of viva-voce shall be scheduled and duly notified for open defense by Controller of Examination in consultation with external examiner from India and Supervisor(s).
- (iv) Both the External Examiners reject the thesis, and then the student is declared, "fail" and registration cancelled in usual course; however, upon strong recommendation of the Supervisor and Head of Department the Vice-Chancellor may refer the case for thorough review by the DRC which may or may not permit submission of a revised

thesis on an additional payment of the prescribed fee, after a suitable time to be fixed by the DRC which shall not be less than one year from the date of grant of permission by Vice-Chancellor on recommendation of DRC within the maximum time period prescribed under **Clause 6.5.4.1**. The observations and comments of the examiners, if any, shall be given to the Supervisor. In no case should a resubmission of the thesis without modification along the lines of criticism made by the earlier examiners be allowed. The revised thesis shall be referred for examination as per prescribed procedure. The new examiners will be provided with copies of earlier thesis, examiners' reports and details of changes made, in addition to the revised thesis. The examiners need to respond specifically to the observations of the earlier examiners and the changes made by the student before re-submission. It shall be evaluated as per normal procedure of Thesis Evaluation.

- 6.5.8.7** Once the reports of the examiners have been accepted as satisfactory, the candidate will have to defend the thesis before a Viva-Voce Board consisting of all DRC members and an 'External' Examiner from India. The Indian Examiner of the thesis will be invited as an External Examiner for Ph.D. thesis defense. The defense will be open where faculty members and students of the parent as well as other departments will be invited. The evaluation, however, will be done by the Viva-Voce Board comprising of External Examiner from India, one member of the DRC to be nominated by Vice Chancellor along with the supervisor(s). The evaluation report is to be submitted by the Viva-Voce Board to the Controller of Examination and its outcome could be as given below.

S. N.	Evaluation Report	Remark
1.	Thesis Viva Voce Examination -Satisfactory	Ph.D. degree be awarded by competent authority, however the Provisional Degree Certificate be issued by Controller of Examination after acceptance and approval of the Evaluation Report of Viva-Voce Board by the Vice-Chancellor
2.	Thesis Viva Voce Examination - Unsatisfactory	Appear again before the Viva-Voce Board after elapse of three months as scheduled and notified by Controller of Examination upon recommendation of Supervisor.

- 6.5.8.8** On the successful completion of the thesis viva voce examination, the student will submit three copies of the final revised thesis in hard bound form and soft copy of thesis after incorporating suggestions of Viva-Voce Board, if any, which will be archived onto University Web Site and in University Library/ Departmental Library as per the prescribed format.

#### **6.5.9 ELIGIBILITY FOR BEING SUPERVISOR**

- (a) The faculty members of the University holding doctorate degree and having a minimum of two research papers in SCI journals or such other reputed and peer reviewed non-paid journals approved by the Vice-Chancellor and post Ph.D. experience of minimum two years are eligible to supervise research scholars.
- (b) At any time, a supervisor will have maximum number of full/part time research scholars as given below inside and outside the University in totality. The department will regulate the number of research scholars with University fellowship (including QIP and other fellowships allotted to the University) that will be assigned to each eligible faculty.

S. N.	Faculty Member	Maximum Numbers of Research Scholar
1.	Professor	6
2.	Associate Professor	4
3.	Assistant professor	2

- (c) A faculty member who is to retire within three years may be permitted to become a supervisor to a new research scholar with another faculty member, who is not likely to retire within five years as co-supervisor, at the time of registration itself. On retirement, the faculty member will continue to be a Supervisor and will be invited to the DRC meetings, pre-submission presentation and the final viva-voce examination related to research scholar enrolled under him.
- (d) Continuance of retired faculty members as supervisor.
  - (i) When a faculty member, who has guided a research scholar for three years, retires, he will be permitted to continue as Supervisor on his written request, and will be invited for the DRC meetings without any commitment to the University.
  - (ii) However, there will be a regular Co-Supervisor appointed by Head of Department with the approval of Vice Chancellor for taking care of administrative, and to some extent, the research responsibilities of the research scholar.
- (e) Emeritus Professors, who hold office at this University for a period of 2 years or more, can become co-supervisor for research scholars along with a principal supervisor from University, with at least 5 years service still left at the time of registration of the research scholar.
- (f) In case a faculty member, who is a supervisor, goes on leave exceeding one year duration or resigns, another faculty member will be identified by the Head of Department and appointed by Vice-Chancellor to become a co-supervisor/ supervisor of the research scholar.
- (g) In case a Supervisor(s) declines to supervise a research student, another faculty member qualified to be Supervisor(s) and actively engaged in the same area of research, consents to supervise the research student, new Supervisor(s) may be appointed by the Vice-Chancellor on the explicit recommendation of the Head of Department after thorough examination of the issue. In case, if the reason for decline to supervise by the faculty member is not on the part of research scholar, such faculty member be debarred from being Supervisor in future.
- (h) For the research scholars admitted under part-time category normally carrying out part or all of his/her research work in their respective industry/organization/ national laboratories, only Ph.D. degree holder scientist/engineer having minimum five year experience in relevant area of research at the level of Associate Professor or higher may be appointed as co-supervisor.

#### **6.5.10 ALLOCATION OF PH.D. SUPERVISOR(S)**

- (a) Thesis supervisor(s) for a research scholar will be appointed from amongst the faculty members of the University as Supervisor/Co-Supervisor with the approval of Vice-Chancellor. However, the Professors/Associate Professors/Scientists in equivalent position in the premier institution/ R&D units/ Industries may also be permitted to be co-supervisor with the approval of Vice-Chancellor.
- (b) Departments will evolve modalities for appointing supervisor(s) keeping in view of the research scholars' aspirations and faculty interest.
- (c) No research scholar will be allowed to have more than two supervisors from the University.
- (d) Appointment of Co-Supervisor will be done on the recommendation of the principal Supervisor within three months from the date of joining for the research scholars. After this time limit, the Co-Supervisor shall be made with valid reasons and justifications by the DRC of the research scholar.
- (e) No change in thesis supervisor(s) will be allowed without the valid reasons and consent of Head of Department.

- (f) Generally, no change/addition of Supervisor (s) is/are allowed after the thesis has been submitted for evaluation.
- (g) In case there has been change (due to unavoidable reasons)/addition in the Supervisor(s), the thesis will be submitted not earlier than two years from the date of such change/addition.
- (h) The research scholars admitted under part-time category will normally carry out part or all of his/her research work in their respective industry/organization/ national laboratories. For these scholars, there may be one Supervisor from the University and one Co-Supervisor from his/her organization. For the purpose of administrative expediency the internal supervisor from the University shall be the principal supervisor.
- (i) For the research scholars admitted under Part-time category having University itself as the place of work then, the Supervisor from University shall be sole Supervisor.
- (j) With prior approval of Vice-Chancellor, a full time research scholar may be allowed to have a co-supervisor from outside the University, in exceptional cases.

#### **6.5.11 ATTENDANCE**

- 6.5.11.1** All the full time research scholars shall be required to sign in attendance register in the department every working day irrespective of whether the research scholar is getting a scholarship or not. An unauthorized absence for more than one month leads to disciplinary action which could be even upto the termination of research studentship from University.
- 6.5.11.2** All part time research scholars shall also be required to sign in the attendance register for the stipulated period of minimum residential requirement. An unauthorized absence for more than one month leads to disciplinary action which could be even upto the termination of research studentship from University.
- 6.5.11.3** A research scholar, except when granted withdrawal by the University must attend to his work on a whole time basis. The DRC will examine the attendance record of research scholars, and if it is found unsatisfactory, will recommend extension of minimum duration for submission of thesis, deregistration or termination of research scholarship as it thinks fit.
- 6.5.11.4** A teacher of a course may debar a research scholar from appearing in examination on ground of unsatisfactory attendance. In such case the candidate shall have to repeat the course in future semesters
- 6.5.11.5** The working hours of research scholar is generally permitted to be flexible, but not lower than that of a full time employee. It is the department's legal and moral responsibility to ensure that proper work environment is made available to the research scholar. The research scholars are encouraged to discuss such issues with their supervisor(s), with HOD and higher authorities.
- 6.5.11.6** There is no summer or winter vacation for the research scholars.

#### **6.5.12 RESEARCH PROGRESS ASSESSMENT**
