## VICE CHANCELLOR'S MESSAGE

*Dear Students,*

*It is my pleasure to extend a heartfelt welcome to you on behalf of Madan Mohan Malaviya University of Technology (MMMUT), Gorakhpur. Your decision to embark on an educational journey with us is truly an honor, and we are excited to share this transformative experience with you.*

*Established in 2013, MMMUT has been a beacon of academic excellence and innovation, dedicated to shaping the future of aspiring engineers and technologists. Our roots trace back to the founding of Madan Mohan Malaviya Engineering College in 1962, and over the years, we have evolved into a non-affiliating, teaching, and research university, committed to provide a world-class education.*

*Choosing MMMUT means joining a vibrant and diverse community of learners, where ideas flourish and talents are nurtured. We take pride in our commitment to internationalization, ensuring that your experience with us goes beyond academic achievements. You will become an integral part of a global family, enriching the university's tapestry with your unique perspectives and cultural diversity.*

*The Office of International Affairs is here to support you at every step of your journey. Our dedicated team is ready to assist with any queries you may have and ensure that your transition into life at MMMUT is seamless and enjoyable. From academic support to cultural integration, we are committed to making your time at MMMUT a truly enriching experience.*

*I extend my warmest congratulations on your decision to pursue higher education at MMMUT. Your presence will undoubtedly contribute to the diversity and dynamism of our university, making MMMUT an even more enriching and vibrant place for all.*

*I look forward to personally welcoming you to MMMUT and witnessing your academic and personal success.*

*Best Wishes,*

**Prof. J. P. Saini**

## UNIVERSITY PROFILE

Madan Mohan Malaviya University of Technology, Gorakhpur has been established in year 2013 by the Government of Uttar Pradesh in the form of a non-affiliating, teaching and research University after reconstituting the Madan Mohan Malaviya Engineering College, Gorakhpur which was established in 1962. It is included under Section 2 (f) and 12 (B) of the University Grants Commission and has been accredited with ‘A’ Grade by National Assessment and Accreditation Council (NAAC), for a period of 5 years.

The University has a lush green campus that spreads over a vast area of 354 acres. As you enter its gate, the first sight that greets you is the colour green. Malaviya’s wooded acreages, a mere seven kilometres away from the holy city of Gorakhpur, provide the perfect element for the perfect engineer. The University is located on Gorakhpur-Deoria road, about 9 kilometres from Gorakhpur Railway Station as well as from main Gorakhpur Roadways bus-station.

Keeping in mind the interest among the foreign students for their admission in MMMUT, the students from abroad including Foreign Nationals and Persons of Indian Origin (PIO) will be admitted to the MMMUT subject to the fulfilment of their eligibility under different graduate, post graduate and doctoral programs. The MMMUT Gorakhpur with the approval of the competent authority agreed in principle to open admissions to International Students. The admission of International Students shall start from the coming academic session (2024-25). The University has created a separate entity to look after the matter related to admissions of International Students in terms of procedure, process, admission, and related administration. This new entity of the University is “OFFICE OF INTERNATIONAL AFFAIRS” headed by Dean of International Affairs. Applicants seeking admission to such programs are advised to visit the official website of university (<https://mmmut.ac.in/admission>).

## VISION OF UNIVERSITY

To facilitate and promote studies, research, technology incubation, product innovation and extension work in Science, Technology and Management Education and also to achieve excellence in higher technical education.

## MISSION OF UNIVERSITY

The distinctive missions of the University are:

- ☞ To serve society as a center of higher learning, providing long-term societal benefits through transmitting advanced knowledge, discovering new knowledge and functioning as an active working repository of organized knowledge.
- ☞ To take leadership role by providing need-based programs in engineering and technology, applied sciences, management, humanities, architecture, pharmacy, retail and fashion design, mass-communication, agriculture

and other employable Programs in emerging areas.

- ☞ To promote compassionate care of the highest quality that translates new knowledge into meaningful improvements in technological outcomes through interdisciplinary collaboration, fiscal responsibility, support of diversity, a focus on quality and a culture of professionalism.
- ☞ To establish value creating networks and foster relationships with other leading institutes of higher learning and research, alumni and industries in order to provide significant contribution to national and international development.
- ☞ To create an intellectually stimulating Infrastructure and conducive environment for technology research, scholarship, creativity, innovation, entrepreneurship, and professional activity for service to community and economy.

## CENTRAL FACILITIES

### 16.1 INFORMATION TECHNOLOGY RESOURCES CENTRE (ITRC)

Information Technology Resource Centre (ITRC) was established in 2005 under world bank programme (TEQIP-I) and is unique of its kind among all state engineering universities/colleges of U.P. The objective of the center is to provide the central computing resources under one roof to students, faculty and staff with a vision to support and strengthen the teaching-learning process and research. The local area network spread in almost entire campus is being managed from this center. It remains open for 24 hours and is equipped with advanced computer networking hardware and software tools. Having around 300 computers arranged in its different labs, it provides uninterrupted high speed internet connectivity to the entire campus with two leased line connections- 1 Gbps (1:1) NKN and 155 Mbps (1:1) BSNL leased lines.

#### Facilities available at/through ITRC

- 👁 210 no. of computers and 8 no. of high-end servers (5 HP and 3 Blade).
- 👁 Power backup with 12 no. of 10 KVA UPS, one 5 KVA UPS and one 10 KVA generator.
- 👁 Various design and training software tools for students and faculty members.
- 👁 Aryabhata Seminar Hall with state of art facilities of Virtual Class for effective learning.
- 👁 Three design labs with advanced software/hardware computing resources to cater to the needs of PG and

Research students having total 70 computers.

- ☞ Three general computing labs with 100 no. of computers for UG students.
- ☞ One research lab exclusively for Ph.D. students with 40 computers.
- ☞ Provides internet connectivity through OFC (of about 5 kms) to academic buildings, hostels and faculty/staff residences thus covering almost entire campus.
- ☞ Provides additional Wi-Fi connectivity in all major university buildings and their surroundings.
- ☞ Provides connectivity to Biometric attendance devices installed in various departments and sections for online attendance.
- ☞ Manages the K-YAN and P.A. Systems installed in classrooms to support the effective teaching and learning.
- ☞ Manages Security system through CCTV Cameras installed at prime locations of the University.
- ☞ Manages computerized Gate Pass installed at university gate to further enhance the security.
- ☞ Establishment of two new Virtual Classroom is under process under the supervision of ITRC.

## 16.2 CENTRAL LIBRARY

Central library has a wide collection of books and periodicals on scientific, technical and allied subjects. It operates on open access system and students are given free access to books and journals that are kept on open shelves. Total carpet area of library is 1779.426 sq. meter. It has a wide collection of Books, E-books, and E-journals. Total number of books including bound journals and ISI Code is 1, 16, 359 (One lakh sixteen thousand three hundred and fifty-nine).

### Special features :

- ☞ Equipped with Wi-Fi facility and CCTV surveillance.
- ☞ Availability of OPAC (Online Public Access Catalogue).
- ☞ Air-Conditioned E-Library cum Reading Room.
- ☞ Automated issue and return of books.
- ☞ Air-conditioned Reading Room.

## 16.3 LECTURE HALL COMPLEX

There are 03 lecture complexes with well-equipped modern facilities;

- The Pushpagiri Lecture Hall complex has 14 smart classrooms.
- Takshila Lecture Hall complex has 14 smart classrooms.
- 06 Lecture Halls and 02 drawing halls.

Besides these, there are departmental lecture classes equipped with modern facilities and seminar hall/conference hall for different academic purposes.

## 16.4 MULTIPURPOSE HALL (MPH)

The air-conditioned Multipurpose Hall with a capacity of about 700 audience is used for various purposes like convocation, alumni meet, cultural fest, and indoor games.

## 16.5 UNIVERSITY HEALTH CENTRE

The mission of the MMMUT Health Centre is to provide students with quality primary health care and education about healthy lifestyles. This Health Centre provides a full range of primary care, treatment, and referral services, as well as related health education programs. All programs and services are aimed at maintaining the physical and emotional well-being of university students.
