

**MADAN MOHAN MALAVIYA UNIVERSITY OF TECHNOLOGY**  
**GORAKHPUR, U.P. -273010**

**Rules for Merit List Preparation using CUET(UG)-2024 Result**

**A. For admission in B.Tech. 2<sup>nd</sup> Year Lateral Entry (for Diploma Holders) following test papers will be considered for the preparation of Merit List**

- a. Domain-Specific Subject: Mathematics (319)
- b. Domain-Specific Subject: Computer Science (308) OR Engineering Graphics (310)
- c. General Test Section III (501)

The Merit list will be prepared by adding the normalized score obtained by candidates in prescribed test papers.

**Tie Breaking in case of Equal Normalized Score**

If there is a tie in the total normalized score of two or more candidates, the order of merit for such candidates shall be decided in the following order:

1. Rank determination by normalized score obtained in **Mathematics** in CUET(UG)-2024. Candidates obtaining higher normalized score will be given a better rank.
2. Rank determination by normalized score obtained in **General Test Section III** in CUET(UG)-2024. Candidates obtaining higher normalized score will be given a better rank.
3. Rank determination by **age of the candidate**. If one candidate is older than another, then the older candidate will have a higher rank compared to the younger candidate.
4. Rank determination by **CUET(UG)-2024 Application Number** provided to candidates. Candidate having lesser Application Number will have a higher rank compared to higher Application Number.

**B. For admission in B. Pharm. 2<sup>nd</sup> year (Lateral Entry) following test papers will be considered for the preparation of Merit List**

- a. Domain-Specific Subject : Biology (304) OR Mathematics (319)
- b. General Test Section III (501)

The Merit list will be prepared by adding the normalized score obtained by candidates in prescribed test papers.

**Tie Breaking in case of Equal Normalized Score**

If there is a tie in the total normalized score of two or more candidates, the order of

merit for such candidates shall be decided in the following order:

1. Rank determination by normalized score obtained in **General Test Section-III** in CUET(UG)-2024. Candidates obtaining higher normalized score will be given a better rank.
2. Rank determination by **age of the candidate**. If one candidate is older than another, then the older candidate will have a higher rank compared to the younger candidate.
3. Rank determination by **CUET(UG)-2024 Application Number** provided to candidates. Candidate having lesser Application Number will have a higher rank compared to higher Application Number.

**C. For admission in B. Pharm. I<sup>st</sup> Year following test papers will be considered for the preparation of Merit List**

- a. Domain Specific Subject: Physics (322)
- b. Domain Specific Subject: Chemistry (306)
- c. Domain Specific Subject: Mathematics (319) OR Biology (304)  
(Anyone)

The Merit list will be prepared by adding the normalized score obtained by candidates in prescribed test papers.

**Tie Breaking in case of Equal Normalized Score**

If there is a tie in the total normalized score of two or more candidates, the order of merit for such candidates shall be decided in the following order:

1. Rank determination by normalized score obtained in **Physics** in CUET(UG)-2024. Candidates obtaining higher normalized score will be given a better rank.
2. Rank determination by normalized score obtained in **Chemistry** in CUET(UG)-2024. Candidates obtaining higher normalized score will be given a better rank.
3. Rank determination by **age of the candidate**. If one candidate is older than another, then the older candidate will have a higher rank compared to the younger candidate.
4. Rank determination by **CUET(UG)-2024 Application Number** provided to candidates. Candidate having lesser Application Number will have a higher rank compared to higher Application Number.

**D. For admission in B.B.A. I<sup>st</sup> year following test papers will be considered for the preparation of Merit List**

- a. Language from Section IA: English (101)

b. General Test Section III (501)

The Merit list will be prepared by adding the normalized score obtained by candidates in prescribed test papers.

**Tie Breaking in case of Equal Normalized Score**

If there is a tie in the total normalized score of two or more candidates, the order of merit for such candidates shall be decided in the following order:

1. Rank determination by normalized score obtained in **Language from Section 1A: English** in CUET(UG)-2024. Candidates obtaining higher normalized score will be given a better rank.
2. Rank determination by age of the candidate. If one candidate is older than another, then the older candidate will have a higher rank compared to the younger candidate.
3. Rank determination by **CUET(UG)-2024 Application Number** provided to candidates. Candidate having lesser Application Number will have a higher rank compared to higher Application Number.
