**NOTIFICATION**

**Subject : Guidelines regarding Award of Topper ( Gold Medal) To MMMUT Students during Convocation.**

The Hon'ble Vice Chancellor has approved the following Guidelines for the award of Topper (Gold medal) for UG/PG students during the Convocation of MMMUT Gorakhpur.

1. If there is a tie between two or more students of four-year UG (B. Tech.) students and three-year UG (B. Tech.) lateral students then the topper will be decided based on CGPA of last three years (second year, third year and fourth year) but if tie is between two or more four-year UG (B. Tech.) students, then CGPA will be counted for all four-years. Still if there is tie, then point 2 should be followed for deciding the topper.
2. (a). The student with highest CGPA after excluding the courses which do not have any Lecture component in the scheme of teaching will be the topper.  
(b). In case tie is not resolved by sub para 2 (a), then the student with highest CGPA after excluding the elective courses will be the topper.  
(c). In case tie is not resolved by sub para 2(a) and 2(b), then the student with highest sum of product of marks obtained in each paper and credits assigned to each paper divided by total credits, will be the topper.  
(d). In case tie is not resolved by sub para 2(a), 2(b), and 2(c), then the student with highest sum of marks in theory components of papers divided by the sum of maximum marks of the theory components of these papers, will be the topper.  
(e). In case tie is not resolved by sub para 2(a), 2(b), 2(c), and 2(d), then the student with highest sum of marks in theory components of non-elective papers divided by the sum of maximum marks of the theory components of these papers, will be the topper.  
(f). In case tie is not resolved by para 2(a), 2(b), 2(c), 2(d), and 2(e) above, then all such students shall be awarded the Certificate of Merit and Gold Medal.

The above guidelines will be applicable from the session 2023-2024 Convocation onwards.
