

Online One week Faculty Development Program

by

MMMUT with TCS

on

Foundations of Generative AI & Deep Architectures (GenAI-DA)

Oct 28th - 01st Nov, 2026

Patron

Prof. Anupama Kaushik Sharma
Hon'ble Vice Chancellor
MMMUT, Gorakhpur

Chairman

Prof. V. K. Dwivedi
Chairman, Training and Placement Cell,
MMMUT, Gorakhpur

Coordinator

Dr. Ashish Srivastava
Assistant Professor, ITCA
MMMUT, Gorakhpur

Training and Placement Cell
Madan Mohan Malaviya University of Technology
Gorakhpur-273 010, (U.P.) INDIA
(NAAC "A" Grade University)

About University

Madan Mohan Malaviya University of Technology, Gorakhpur has been established in the year 2013 by the Government of Uttar Pradesh in the form of a non-affiliating technical University after reconstituting the Madan Mohan Malaviya Engineering College, Gorakhpur which was established in 1962. In addition to UG in Civil, Chemical, Computer Science & Engineering, Mechanical, Electrical, Electronics & Communication, and Information Technology, the University also offers B. Pharm, BBA, MBA, MCA, M. Tech, M.Sc. and Ph.D. courses in various specializations.

About TCS

Tata Consultancy Services (TCS) is one of India's leading IT services, consulting, and business solutions organisations and a part of the Tata Group. Established in 1968, TCS has grown into a global technology leader, serving clients across industries through digital transformation, cloud computing, artificial intelligence, cybersecurity, data analytics, and enterprise solutions. With a strong focus on innovation, customer-centricity, and sustainability, TCS helps businesses improve efficiency, accelerate growth, and adapt to the evolving digital landscape. The company also contributes to skill development, education, and innovation by nurturing talent, supporting young innovators, and enabling organisations to leverage emerging technologies for long-term impact.

About Gorakhpur

Gorakhpur is well connected by air, road and rail to all major cities including Lucknow (270 KM), Varanasi (197 KM), and Patna (220 KM). Direct flights are available from New Delhi to Gorakhpur.

The university is situated on Deoria road about 9 Km from Gorakhpur Railway station and 5 Km from the Gorakhpur airport.

About FDP

The Faculty Development Program (FDP) on "Foundations of Generative AI & Deep Architectures" (GenAI-DA) aims to enhance participants' understanding of cutting-edge foundational models, deep learning principles, and generative paradigms. The program focuses on the mathematical core, architectural design, and practical deployment of modern generative models to foster innovation, research capabilities, and pedagogical excellence.

Through expert lectures by industry leaders and resource persons from TCS, technical demonstrations, and interactive sessions, participants will explore transformer architectures, diffusion models, large language model (LLM) fine-tuning, and scalable deep learning frameworks to effectively apply in teaching and advanced research.

FDP Duration

One week, Oct 28th - 01st Nov, 2026 (Online Mode)

Eligibility Criteria

Faculty members of MMMUT and Research scholars are eligible to apply for the FDP.

Registration Fee

*No Registration Fee (Free)

Participant Evaluation

- **Registered candidates will receive a certificate upon maintaining minimum 80% attendance.**
- **Completion of All Required Quizzes.**

Registration Link:

<https://forms.gle/ML9o6VHMqGogvCeq5>

Important Dates

- **Last Date to Apply: 26/10/2026**
- **Notification to Selected Candidates (Email/WhatsApp): 26/10/2026**
